ALBA MORQUECHO-DELGADO

RESEARCH SCIENTIST (DATA/ML FOCUSED)

With a strong quantitative background in Physics and Biomathematics, I specialize in Machine Learning and data analysis techniques. I excel at analyzing complex data, extracting valuable insights, and translating them into actionable knowledge that drives informed decisions. My multidisciplinary experience fosters strong adaptability, enabling me to thrive in dynamic environments and communicate complex concepts clearly to stakeholders

INTERPERSONAL SKILLS:

- **Collaboration and Communication**: Foster effective teams and communicate ideas clearly to achieve goals,.
- **Agile and Analytical Problem Solving**: Approach problems with method, adaptability, and multidisciplinary creativity, learning continuously.
- **Results and Growth Oriented**: Focused on objectives and continuous improvement to drive project success.

EDUCATION

- **MSC DEGREE IN SCIENTIFIC INFORMATION AND COMMUNICATION**
(September- February 2023, 1st semester [UGR, University of Granada]

- *MSC DEGREE IN LOGIC AND PHILOSOPHY OF SCIENCE*
(September 2023-) [UGR, University of Granada]

- *MSC DEGREE IN BIOMATHEMATICS (FISYMAT- PHYSICS AND MATHEMATICS)*
(-2021) [UGR]

- *BSC DEGREE IN PHYSICS (FUNDAMENTAL)*
(-2019) [UCM, University Complutense of Madrid]
